

ZeusFrames Studio – Launch Packaging & Pricing Guide (Motherhood, Fashion, Commercial)

This document outlines launch-phase packages, pricing, discounts, and add-ons for ZeusFrames Studio in Stouffville/GTA. It is designed to:

- Fill the calendar quickly with attractive, lower-than-mid-market pricing.
- Highlight ZeusFrames' unique value: minimal-modern, dreamy motherhood journeys + bold fashion/editorial + video art.
- Provide clear options for single sessions, bundles, and studio rental.

NOTE: All prices are **starting points** for the first 6–12 months. As demand grows and portfolio strengthens, we will raise rates toward mid-tier GTA levels.

1. Motherhood & Family – Single Sessions (Launch Pricing)

1.1 Maternity – "Maternity Dream Session"

Positioning: Minimal-modern, dreamy studio or outdoor session focused on elegant, emotional portraits.

Includes:

- 60–90 minutes shooting time (studio or nearby outdoor location).
- 1–2 looks (outfits/backdrops).
- 20 edited high-resolution images.
- Online gallery delivery.

Launch price: \$450 + HST

Why this price?

- GTA maternity single sessions typically range ~\$500–600 + HST for 60 minutes and ~20 edited images. [cite:1]
- We start slightly lower at \$450 to encourage bookings while still covering time, rent, and editing.

1.2 Newborn – "Newborn First Days Session"

Positioning: Calm, safe, dreamy session focused on baby and parents, in minimal-modern setups.

Includes:

- 2–3 hours shooting time (studio).
- Use of wraps, props, and simple sets.
- Baby + parents; siblings optional.
- 20–25 edited high-resolution images.
- Online gallery delivery.

Launch price: \$550 + HST

Why this price?

- GTA newborn single sessions range ~ \$500–700 + HST for 90–180 minutes and ~20–25 images.[cite:2]
 - Newborn work is more time-consuming; price slightly higher than maternity but still competitive.
-

1.3 Family & Kids – "Family Story Session"

Positioning: Candid + lightly posed family interaction in your dreamy minimal-modern style.

Includes:

- 60–90 minutes shooting time (studio or outdoor).
- Up to 6 family members.
- 25–30 edited high-resolution images.
- Online gallery delivery.

Launch price: \$450 + HST

Why this price?

- GTA family sessions commonly around \$500–600 for 60–90m and ~20 images.[cite:3]
 - You start at \$450 to attract repeat clients and referrals.
-

1.4 Kids Focus – "Kidsgraphy Play Session"

Positioning: Playful, character-focused session for toddlers/kids.

Includes:

- 45–60 minutes shooting.
- 15–20 edited images.
- One main set (studio or outdoor).

Launch price: \$350 + HST

Why this price?

- Designed as an accessible entry option for parents, easier to sell in volume.

1.5 Mini Sessions – "Seasonal Mini Days"

Positioning: Limited-day mini slots (e.g., holiday, back to school) to fill calendar and market ZeusFrames.

Includes:

- 20–30 minute time slots.
- 10 edited images.
- Pre-styled set (studio).

Launch price per slot: \$199 + HST

Why this price?

- GTA holiday minis often ~ \$300 + HST for 10 images.[cite:1]
 - At \$199, these are attractive, easy to sell, and good for volume.
-

2. Motherhood & Family – Photo + Video Art (Single Signature Sessions)

These packages add a short "video art" film to the photo session. They should be presented as your **signature** offering.

For Journey bundles:

- Pay-as-you-go: no discounts.

- Two installments: ~10–13% discount built into bundle price.
 - Paid in full upfront: additional 5% off bundle price.
-

This guide should be treated as a living document. As ZeusFrames grows and data on demand and workload accumulates, you will:

- Raise prices gradually toward mid-to-high GTA standards.
- Refine packages based on which sessions and add-ons clients buy most.
- Expand print/album offerings and studio rental options.
